

INTRODUCING..

# PLATINUM *PLUS*

SEASON 25/26

CANVA STORIES Z850

# PLATINUM PLUS

**Platinum Plus has been created to offer talented players the opportunity to be coached regularly at a high level, in a challenging, competitive environment. These players will also compete together, in either Pre-Academy showcase games, or the ENG WLPL, on Saturday afternoons.**

Platinum Plus will only be available to 1 team per age group from U7 to U12.

These teams will not only consist of our highest ability players within the SkillZone programme but we will also be holding open trials in early 2025 with the aim of attracting new, talented players to compliment and provide an additional level of challenge. Are you in?
